### Single Figure Handicaps

The County keeps a record of all single figure golfers for Training and Match purposes. The County Area Authority also keeps a record of all Category 1 players in the County.

After your club Handicap Committee have completed their Annual Review of handicaps by 1<sup>st</sup> March, or at the end of your clubs qualifying competition playing season, please send in the Exact Handicap of all home club single figure golfers in order that the two lists may be drawn up.

These details to be sent no later than 14<sup>th</sup> March 2012.

Failure to send in these details may result in your players **not** being included on the County Training, Squad or Match lists.

**Please note that this information is required annually**
