

To County Secretaries, County Representatives and Club Delegates

Cc. Ops Board, James Crampton.

As you may be aware the CDH Database is up and running with all Clubs having received their access and are able to submit there Handicap Data via their Handicap Software.

If you have not been advised how to upload your Clubs details please speak to your Club Manager who will have been issued with the information needed.

If this has not been the case please contact James Crampton at the EGU via his Email:  
JCrampton@englishgolfunion.org

Could you please insure that the person responsible is aware that they can now upload the Handicap information for your Members to the CDH Database at thier convenience. Please contact myself if you have any further questions.

Many Thanks

Adam Bennett.  
Admin Assistant.
