JUNIOR FIXTURES

2012

Conditions of membership, competitions.

All junior girl members of Cheshire County Affiliated Clubs now pay a per capita levy and therefore are full members of the Cheshire County Ladies Golf Association and can play in all the competitions run by the Association.

Girls under 18 years on January 1st are also eligible to play in Junior Competitions.

Age related trophies are based on the player's age on January 1st. Ties will be decided on last 9,6,3, or 1 hole(s) and then over the first nine using the same formula.

Competitors may not take more than one prize in the same event, except that the Champion may also take the under-16 and the under-14 trophies, and the winner of the under-14 trophy may also take the under-16 trophy. In the event that someone wins more than one trophy, the lesser prizes will be re-awarded to the next in line.

Gross score takes precedence in the Championship, and the handicap score takes precedence in all other competitions.

Entry forms for all Junior Competitions are available on the CCLGA WEBSITE or from: -
