- All entry fees include gratuities
- The Committee reserves the right to refuse any entry without assigning a reason
- A player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g. gradient, wind speed, temperature, etc), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless whether any such function is actually used.
